

**DONNER LAKE - AQUATIC INVASIVE SPECIES
MANDATORY SELF-INSPECTION LAUNCH CERTIFICATE PERMIT
Town of Truckee Ordinance 2020-03 Chapter 14.01**

Must Complete, sign, and date this Launch Certification Permit and keep in the vessel. If this is the first inspection of the year, the owner or operator of the vessel shall submit a self-inspection form to the Town of Truckee and obtain an inspection sticker for the vessel.

*All motorized watercraft STILL require an inspection before launching into Donner Lake. Non-motorized watercraft are also capable of transporting aquatic invasive species. It is highly recommended to complete a self-inspection on all watercraft.

Vessel Registration Number: _____ **Zip Code:** _____ **Date:** _____

Boat Type (circle one): Ski/Wake Sail PWC/Jet Ski Fishing Pleasure Boat Wooden Non-Moto Other: _____

Last Waterbody visited with this watercraft: _____

1. Is your vessel, trailer and all equipment **clean** of all mud, dirt, plants, fish or animals and **drained** of all water including all bilge areas, fresh-water cooling systems, lower outboard units, ballast tanks, live-wells, buckets, etc. and completely **dry**?
 - YES, my vessel is Clean, Drain and Dry
 - No, my vessel is NOT Clean, Drain and Dry. Vessel must be **cleaned, drained** and completely **dry** before it will be permitted to launch. Do not clean or drain your vessel by the lake or at the launch ramp. See below for details on how to properly clean your vessel and equipment prior to launching.

2. Has your vessel been in any of the infested waters listed on the back page of this form within the last 30 days?
 - YES, my vessel has been in an infested body of water: Go to question 3
 - No, my vessel has NOT been in an infested body of water: You are ready to launch. Complete, sign and date the bottom portion of this Launch Certification Permit and keep in the vessel. If this is the first inspection of the year, the owner or operator of the vessel shall submit a self-inspection form to the Town of Truckee and obtain an inspection sticker for the vessel.

3. If you answered YES to question 2: Has your vessel, trailer and all equipment been thoroughly cleaned and allowed to completely dry for at least 30 days since you last launched or has it been professionally decontaminated?
 - YES, my vessel has been Clean, Drain and Dry for 30 days: you are ready to launch. Complete, sign, and date the bottom portion of this Launch Certification Permit and keep in vessel.
 - No, my vessel is NOT Clean, Drain and Dry: **DO NOT LAUNCH.** Your vessel must be thoroughly cleaned and dried or professionally decontaminated before it will be permitted to launch.

I affirm that my vessel does not threaten the lake with aquatic invasive species because my vessel is clean, drained and dry and has not been in any infested waters within the last 30 days, or has been thoroughly cleaned and dry for 30 days or has been professionally decontaminated.
